

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**SB 166**

January 31, 2017

**SUMMARY OF BILL:** Changes the administering agency of the Medicaid program from the Department of Health to the Department of Finance and Administration. Changes the reporting date of an optional annual actuarial study by the Comptroller of the Treasury (Comptroller) on the medical assistance program and any participating managed care organizations from April 15 to April 1 of each year.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- The Department of Finance and Administration currently administers the Medicaid program through the Division of Health Care Finance and Administration. The proposed legislation merely updates statute to reflect current practice.
- Decreasing the time the Comptroller has to report to the Finance, Ways and Means Committees of the Senate and the House of Representatives, the Office of Legislative Budget Analysis and the Fiscal Review Committee of the General Assembly will not have a significant impact on state expenditures.
